EXT. JUNK HOUSE - DAY

Now it's a GEARHEAD with CAR PARTS and TRASH strewn about his yard, wiping his hands and wolfishly looking her up and down.

GEARHEAD
Suspicious?

RUTH
Or just, like, out of place.

GEARHEAD
Oh, for sure. Just this mornin' a Dominican fella came 'round with a tree saw and a push mower. Told'm, 'I can take care my own lawn, thanks, but good try.' He knew to keep moving.

RUTH
I bet.

GEARHEAD
You could gimme your number. If I thinka something.

RUTH
(turning to leave)
You won't.
