

INT. BATHROOM

Someone outside TAPS tentatively on the door.

CHRISTIAN
(pleasantly)
Just a sec!

He wipes, pulls up his pants, replaces the TANK LID. He runs the faucet (without washing) and rummages through--

A JEWELRY BOX, pocketing VALUABLE ITEMS: rings, a necklace.

He cuts the faucet. Grins at himself. A crazed vampire grin.

62 INT. UPSTAIRS HALLWAY - MCMANSION - SAME

Christian emerges wearing his "normal person smile" but the WIFE waiting there is still startled--

WIFE
The guest bathroom is downstairs.

CHRISTIAN
It was an emergency.

Perturbed, she glances into the bathrooms--

WE TRACK WITH CHRISTIAN, strolling away, cool as a cucumber.
