

## **HI THERE!**

Thanks for doing your first audition via self-tape. I know they're kind of a hassle, but we're half grateful for them, since they're well suited to a Pandemic.

Please read this page over, then look at the lines for your character. As with every other casting company, we have our own special way we want things done. In theory ours is the easiest.

## **SELF-TAPING GUIDELINES**

Please submit all videos requested below, each as a separate video file.

Quirk of our system note:

**YOU SHOULD NOT JOIN THESE VIDEOS INTO A SINGLE FILE. KEEP EACH TAKE SEPARATE. YOU'LL HAVE TROUBLE SUBMITTING IF YOU DON'T.**

If you can't get the video files separately, or didn't catch this note before recording your scenes, email us and we'll figure out how to get your video up onto the site.

## **SHOTLIST**

- 1) SLATE: (Closeup Framing) State your name, city of residence, and talent agent (if applicable). If you are under 18, please also state your age.
- 2) Scene 1, take 1: Medium framing. Seated.
- 3) Scene 1, Take 2: Medium framing. Seated or standing. Please approach the scene with completely new emotional context.
- 4) Scene 1, Take 3 (optional): Medium framing. Seated or standing. Please approach the scene with completely new emotional context - show us something totally different+new from your other two takes.

## **DIRECTION**

*A general note, that if you know better, you can ignore (seriously - what does simon know?)*

We'd like extremely low-key, natural reads for all of these scenes. We're not looking for show stopping moments for your character, just little peeks into every day conversation. If you can, check out Kelly's movies - some are available for free streaming via various services. They have a consistent style and tone that it'll be very helpful to calibrate to.

LADY BIRD

Oh, I almost forgot. I brought you these hot rollers. For your Jim Morrison hair.

He pulls out the Conair pink and purple "Hot Sticks."

DANNY

Thank you so much.

LADY BIRD

You're welcome.

DANNY

You'll have to show me how to use them.

LADY BIRD

(weirdly formal)

It would be my pleasure.

DANNY

They look like sperms.

He laughs and Lady Bird joins in. They do look like sperms but it wasn't so funny to say it.

DANNY (CONT'D)

Hey! I just remembered I had a dream about you!

LADY BIRD

Really?! What happened?

DANNY

We were flying to Disneyland on a giant carrot....

LADY BIRD

Awesome!

DANNY

I love Disneyland.

LADY BIRD

Me too, I think it's kind of scary but I also love it.
